SOFIA ROSE'S DEBUT WAS MOUTH-WATERING

Dear XL Girls,

I love Sofia Rose's gigantic titties and dark, luscious nips. With her debut in the September '13 issue (SP253), she has already become my favorite newcomer. I would give anything to eat her pink slit and make it wet. Her gorgeous pussy looked yummy in the closeup shot on page 35. Her luxuriant and juicy box makes me wish I was lying on the edge of a bed anxiously waiting for

Sofia Rose and her giant naturals return on page 22.

her to sit on my face. I just can't get enough of seeing her initial page.

to the side on page 30. Her pussy looks so lovely with her legs spread apart on page 31, and I love how hot she looks spreading open her pussy on page 34. Her ravenous butt shot photo on page 32 had me dreaming of giving her a cock massage from behind. Her plump body looks so very sexy as she twists her boobs on page 33.

I have cum three loads for Sophia's layout, and I'm getting all horned up just thinking of seeing her plumpness in another solo *XL* pictorial. Please, can you also feature her in a future issue of *Voluptuous* as the "Plumper of the Month"?

English babe Beti Phellasio looked so beautiful holding up her veiny, 38G boobs on pages 13 and 17. I love that shot of her pussy and ass on page 14. I was getting horny when I saw how hot her body looked on pages 15 and 16. I love how the last two pages of her layout are the spread of her open pussy. I can't wait to shoot cum for all of her

sexy photos. Krissy Dawson's plump body looked so delicious as she held her tits together on page 38. That pic of her lovely butt hole and wet pussy on page 40 ultimately became my favorite pic from this issue. I would have loved if that pic was a full-page ass shot. I also loved that pic with her finger partially in her twat on page 42, and that pic of her sweet pussy up close on page 43. Those pics of her spreading her pussy with her hand on page 41 and 43 are so hot, and they make me so horny just thinking about them. Now it's time to stroke my cock and cum for Krissy's huge tits, lovely butt hole and wet pussy. -G.V., Canada

Dear G.V.: Today is certainly your

lucky day. You'll bust several more loads after seeing the rest of this issue because it features a Sophia Rose interview starting on page 22. Her interview and pictorial are memorable.

BETI PHELLASIO: "THE NEXT GREAT XL GIRL"

Dear XL Girls,

September '13 was a great issue for newcomers. I have enjoyed a handful of healthy jerks to the lovely Sofia Rose. No question that she is a hottie. But the girl that really got me going was covergirl Beti Phellasio. I

Beti Phellasio is as sexy as they come. Her debut pictorial in the Sept. '13 issue left reader A.W. from Seattle wanting more of her.

honestly feel like we were introduced to the next great *XL* Girl.

I have to start with her cute face. No matter what kind of woman you prefer, who doesn't like looking at a pretty face? Next are her luscious

38G boobs. Boy, I want to suck on those girls so badly. My cock gets hard when thinking about them. Lately, it hasn't been rare for me to need to rub one out before going to bed because the thought of her massive tits popped into my head and my cock gets unbelievably stiff.

Now, I have to move down to her sexy curves and plush body. Holding her in your arms must be one of the greatest feelings in the world. Feeling her ass and that curvy body would be amazing. Also, I love her tattoo. I'm not always a fan of big tats, but this girl definitely pulls it off successfully.— A.W., Seattle Washington

Dear A.W.: We're glad that you mentioned the tattoo Beti has on her left thigh. It's a dodo bird. We also know that when Beti isn't modeling, she works as a commercial artist and illustrator, so we suspect that she drew a treatment of the tattoo herself before having it tattooed on her. So, in addition to being a hottie, she's talented. Be sure to check her out in the DVD Large Lovin' 3.

WHAT IS IT ABOUT SCHOOLGIRL OUTFITS?

Dear XL Girls,

What is it about schoolgirls that is so sexy? Terri Jane's pictorial in the

Terri Jane is a hot fox no matter what she's wearing, but there's just something about a sweet and naughty schoolgirl outfit that gets us going.

THIS IS ADULT MATERIAL

All of the performers/models, and all of the characters that they portray, were over 18 years of age at the time of the photography. The content is inappropriate for minors, and appropriate care should be taken to ensure that it is not viewed by anyone under 18 years of age.

Nikki Smith had a little peach fuzz above her pussy when we saw her in the July '13 issue. One reader wants every girl to keep some fuzz above her snatch.

May '13 issue (SP247) had me blowing load after load. As a subscriber to both *V-mag* and *XL Girls*, I have seen lots of the wonderful Terri Jane and have been a fan for a long while. This also includes owning the great *Big-Tit Skinny Dip* and *Montego Babes* DVDs, both of which she is featured in. But there was something about this particular pictorial that really got me going. I would like to share my theory on why schoolgirl outfits are so sexy to men.

First of all, I think every man enjoys having or sharing a fantasy with or about a woman. Nurse outfits are hot, too, but, in my opinion, the reason schoolgirl outfits are so hot is because it takes us back to a time when messing around with girls—especially at school or after school—was something that could get you in trouble.

As young kids, we said you had cooties if you kissed or hung out with a girl. As an adolescent, you had to avoid being caught by teachers, faculty, parents and so on if you wanted to mess around with a girl. So, these schoolgirl outfits on these busty babes are so hot because it takes us back to old times. If you've ever made out with a girl behind the curtains of your drama class, you

would love Terri's pictorial.

Also, it doesn't hurt that she has K-cup tits and beautiful curves. I would massage her body and breasts all night if ever given the opportunity. She looks like an innocent schoolgirl ready to be naughty.—J.B., Nova Scotia, Canada

LOVES NIKKI SMITH... AND HAIRY SNATCHES

Dear XL Girls,

Something I've noticed over the years is that more and more girls are shaving their pussies totally bald. Now, this may be showing my age (I'm 56 years old), but I remember when girls used to have a little bush. I loved it! Don't get me wrong! I like pussy in all shapes and sizes, but I just don't understand why almost every girl wants a bare pussy. I prefer a little bit of hair on a pussy. Other men may like their women looking like little girls, but I want my women to look like women.

This point brings me to the lovely Nikki Smith. Of course, we all know she is a beautiful woman. But she also has just a bit of pubic hair above her pussy. That is sexy! I wish more girls left that little scruff above their honey boxes. It's a great look. Her pussy looked good enough to lick in

her first hardcore pictorial in the July '13 issue (SP250). I was actually surprised the guy didn't lick her pussy in this one. What a shame. Good pussy always deserves a taste.—Paul, address withheld, via E-mail

Dear Paul: We appreciate a nice bush as much as any other guy, so we understand where you're coming from. There is good news and bad news. You'll be happy to know that Nikki is featured in a hot three-way in this issue with Scarlet LaVey, starting on page 44. The bad news is that Nikki shaved off the little bush she had, but she and Scarlet are absolutely smoking hot.

"XL LEGENDS" SPECIAL HAD MANY HIGHLIGHTS

Dear XL Girls,

Part one of the "XL Legends" special in the September '13 issue (SP253) was mint. I have only been an XL Girls subscriber for about a year and a half, so it was great to see the hotties of the past. I wish I had been around to see the hot shots of girls like Lou Lou and Rhonda Baxter, who looked absolutely stunning in her photo.

Candye Kane's photo stole the show, though. I love how she's holding her massive tits. I also love the

Candye Kane was one of six sexy girls featured in our "XL Legends" special in the Sept. '13 issue. Her supple and soft curves rocked the house.

black corset and metal theme of the set. Truly a Grade-A photo.

I can't wait for part two of this special. Do you all care to drop any hints as to when you'll have it ready to go?—R.W., Salford, England

Dear R.W.: Thanks for the letter. We're currently working on putting together the second installment of that special. We plan on running it in the next issue of XL Girls (SP262), which goes on-sale January 21.

ANOREI'S MILKIN' MAMS

Dear XL Girls.

Anorei Collins is a dream girl. Watching her lactate in the July '13 issue (SP250) was insanely hot. She said that a man had never sucked milk from her tits, so I'm here to offer my services to her. I've never sucked milk from a hot babe's boobs, but I have always been a quick study. Her milk looks scrumptious. I don't even need a side of cookies with them, but

Anorei Collins' lactation was cockhardening in the July '13 issue. One reader wants to suck the milk out of her heavy, milk-filled mammaries.

I would gladly share them with Anorei if she wanted.

Also, learning that she is a rocker...I am a very big metal head, and Metallica is among my favorite bands, too. Knowing this has me fantasizing about fucking Anorei with a song like "Enter Sandman" blaring in the back-

THIS FORMER TOMBOY IS A DIRTY GIRL

Interview by Tushna Pirrongelli

Sofia Rose is a girl who truly has it all. You can start with her pretty face and bright smile that no man can help but fall for. You can move down to her supple JJ-cup boobs that are made for motor-boating and tit-fucking. And then, there are the curves and an ass that never ends. Simply put, Sofia is the type of girl that personifies what XL Girls magazine is all about, and readers agreed when she debuted in #253.

We flew Sofia to our studios in Miami, and she spoke at length with our studio manager, Tushna Pirrongelli. They discussed her huge tits, growing up as a tomboy with big boobs, her bi-curiosity and her food fetishes. Sofia proves a rose by any other name certainly wouldn't be as sweet.

XL Girls: Welcome to XL Girls, Sofia. Tell us where you're from.

SOFIA: I'm originally from Los An-

"I've had a few threesomes with couples, and I have been very attracted to the woman."

"I'm Latina. My father is 100% Mexican, and my mom is Spanish and Irish."

year, I've been to Florida several times and all the way up in Oregon. Now I'm working and living on the East Coast.

XL Girls: So all the men in those cities right now are cheering you on like, "Yeah, she's been to Oregon or yeah, she's been to Houston!"

SOFIA: [*Laughs*] Yeah, I hope so! **XL Girls:** So what is your bra size? **SOFIA:** I'm a 38JJ.

XL Girls: So how long have you worn a JJ-cup?

SOFIA: Oh, as long as I can remember. I wore the wrong bra for a very long time, and then I had a custom-fitter fit me. And that's how I came to that bra size.

XL Girls: So when you say wrong bra, was it too small?

SOFIA: I basically learned what kind of look and support I should be looking for when I buy a bra. Getting fitted professionally taught me about what kind of look and support I should be looking for when I'm buying a new bra.

XL Girls: How does the measuring process work?

SOFIA: Well, it's not just the frame and the full bust but also measuring each individual breast. And she did

"My current partner likes to eat food out of my ass."

XL Girls: You have to get her name and number. She can send some of those girls to us! So, what do you like about modeling?

SOFIA: I just love being in front of the camera. I love the process. You know, getting your hair and makeup done. I love to go from what I call "the simple version" of myself to the glamorous, Hollywood-looking version of myself.

XL Girls: So you're taking a big step today with us. Why don't you tell everyone what you're doing?

SOFIA: I'm doing my first hardcore! It's a very recent move. It's something I've wanted to do for quite some time. My fans have been ask-

ing for it, but I just wasn't quite ready to have full sex on film. But circumstances presented themselves at the right time, and I finally felt ready to take the next step. **XL Girls:** Are you nervous about it? **SOFIA:** I'm actually more excited than nervous. I loved meeting the guy I'm having sex with, and it has been fun. I've enjoyed every bit of it. **XL Girls:** And readers can see your scene right now at <u>XLGirls.com</u>. So what brought you here with us? **SOFIA:** Well, I want to be with the best, and I know XL Girls is the best. I want to be part of that, and I feel like that's what I've been doing for

the past six years, so I want to con-

tinue to hold myself to that standard. **XL Girls:** Would you call yourself an exhibitionist?

SOFIA: I think I've always been an exhibitionist.

XL Girls: Tell us about an experience you've had, something in public. SOFIA: I think I started pretty young, actually. You know, I had the embarrassing going-through-puberty stage where you may drop a towel when you were in public. I've done that. I didn't get embarrassed like most people do. I kinda laughed about it. I've always been very comfortable in my skin. I've always felt that it is what it is, and I have just kept on going with my life. I've never been very shy.

XL Girls: What do people say about your big breasts?

SOFIA: [*Laughs*] Everything! There's a lot to say, I guess. I get a lot of compliments, and I get a lot of looks. It's like everything else in life where you have to take the good with the bad. I get a lot of negative looks and comments. The one thing I always think is just because I have big breasts doesn't mean I'm dumb or deaf. I'll hear dumb remarks sometimes, and I'm just like, "I can hear you." The most common thing is, "Those can't be real." I'll turn around and say "They absolutely are." I almost get defensive because I'm very proud of my body. I think I've earned the right to be proud of my body.

XL Girls: You have! So do you primarily date boob guys?

SOFIA: [*Laughs*] Yeah, but not really on purpose. Obviously, if a guy likes big breasts, he'll be attracted to me initially. I've also converted some guys to ass men because I'm blessed in that area, too. I've even had guys who had never dated ethnic women decide that they like Latin women.

XL Girls: So you're Latina? **SOFIA:** Very much Latina.

XL Girls: Where are you from? SOFIA: My father is 100% Mexican, and my mom is Spanish and Irish. XL Girls: Do you dress conservatively or more revealing when you go out?

SOFIA: I think there is a time and a place for everything. When I'm going out, I think it's appropriate to dress in revealing clothes. I flaunt my curves and my cleavage. Day-to-day, I'm

KATSMELLONS

Say hello to Kats Mellons, a saucy British newcomer.

With this skimpy, leopard-skin dress and a name like Kats, calling this busty newcomer a sexy pussy cat is a no-brainer. She's also got a sexy pussy, but being the lady that she is, she wants to tease you first with a risque game of pool. "Guys call me flirty and funny," Kats said with a cute purr. "I enjoy the company of men. Especially big, solid men." Looking at her plump and heavy K-cups falling out of this dress, we know the feeling is mutual.

Kats makes you want to drop your eight ball into her pussy pocket.

Self-suckling is among the perks of being a babe with huge boobs. Don't have anyone to play with those beautiful tits? Pleasure them yourself! "I love sucking on my own tits," Kats said. "It's one of my favorite things to do, especially while playing with my pussy. That makes me cum every time." We'd love to help out by sucking on her nipples and playing with her pussy. And doing it all in a man cave with a pool table? Life couldn't get much sweeter than that!

RIKKIWATERS

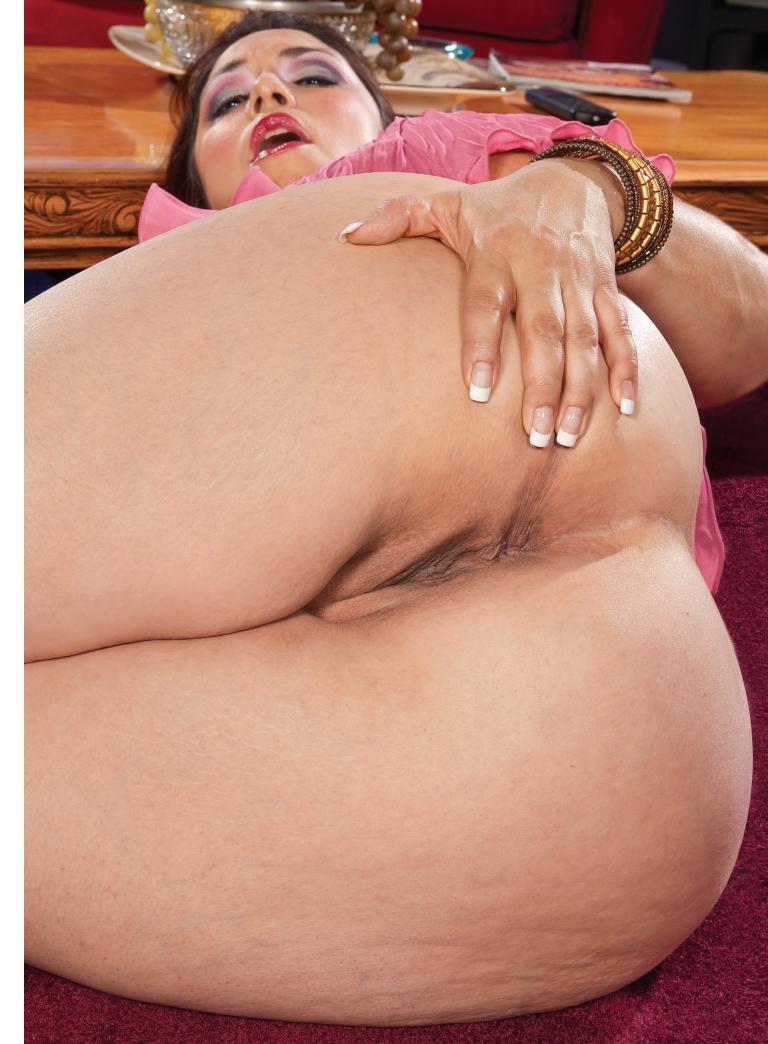

Rikki loves having her pretty, pink pussy split every day and night.

Rikki is a girl whose sexual appetite is never fulfilled. Unfortunately, not many women are as constantly horny as she is. "Honestly, I'm horny all the time," she confessed. "My nipples

randomly get hard, my pussy gets all juicy and I have to get off no matter what. I've talked to girlfriends about it, and they all think I'm a crazy nympho or something." That's a good thing.

NIKKI & SCARLET

These girls got hot and sticky on a day of threeway fun.

As much as Nikki loves her busty roomie, she has her own cockhunger to feed. "Is it my turn yet?" she asks playfully as Pike is banging Scarlet. It is Nikki's turn to get her juicy pussy split. Pike bangs her pussy out while Scarlet teases her tits and makes out with her. When they're all done playing, the girls share a sticky facial. "I love threesomes," Scarlet said. "They're always so hot." Log on to XLGirls.com for the even-hotter video.

SAPPHIRE

Sapphire is a big-boobed legend who is truly in a class of her own.

Sapphire gemstones come in a variety of colors, but our alltime favorite is blonde. This Sapphire also rocks a pair of 40J hangers that knock your socks off while growing your cock. When it comes to plumpers, Sapphire is at the summit of boob mountain. This sweet girl-next-door is the only three-time Plumper of the Year in our sister magazine V-mag's history.

Sapphire claimed the Plumper of the Year title from 2006-2008 and lost by a nipple to Samantha 38G in 2009. That is certainly cause for celebration...even something as simple as

jumping up and down in glee (we love to watch those J-cups bounce). "I was shocked when I won the first," she said. "And I didn't expect to win two more! It's still very surprising to me."

ground. I know she would enjoy it very much.—Name and address withheld, via Internet

Dear Reader: We're glad you enjoyed Anorei's pictorial. Watching her play with her boobs and lactate was impressive. We wanted to let you know that the video version of that pictorial is available at <u>XLGirls.com</u> as well as in the DVD Full-Figured Foxes #2, which you can order on page nine or at <u>eBoobStore.com</u>. It's definitely must-see viewing.

KRISTINA MILAN WAS EYE-POPPING IN MAY

Dear XL Girls,

There are thick busty babes, and then there is Kristina Milan. The May '13 issue (SP247) with her on the cover was one of my favorite issues in a long while. I love Kristina's juicy tits. I just want to suck and play with her J-cups all day and night. Seeing her in the shower was a great sight. I especially loved the full-page photo on page 64 where she is all lathered up

Kristina Milan's shower pictorial in the May '13 issue was steamy. Her mocha hangers are a sight to see.

and cupping her succulent breasts. The ass shot on page 65 got me hard as a rock, too.

I have just one request: Where did Continued on page 78

KHLOELUST

Say hello to Khloe Lust, a sweet Florida girl with a very healthy bust.

If there is one thing we all love, it is a girl with a pretty face and curves. Khloe Lust, our latest newcomer, has both of those assets in spades. Her name is very fitting, too. Khloe has a pair of DD-

cup tits that have made men lust after her for years. "I started developing pretty young," she said. "When I was in about sixth grade. I like the attention as long as a guy is respectful about it."

She's a young girl looking for new adventures. Any volunteers?

Khloe is 23 but looks younger. "I still get ID'ed all the time if I go out to a bar or club," she said. You'd think her tits would be all the ID she'd need. Like most young people, she's still in an ex-

ploratory stage in her life. She dreams of traveling the world and taking part in naughty activities that make her toes curl. "I've never had a threesome, but I fantasize about them all the time."

SIENNAHILLS

Sienna Hills is the type of girl whose high sex drive can never be fulfilled.

Most of our girls have to go to an adult bookstore to check out the magazines they are featured in. Sienna Hills is the only one who owns a bookstore that sells the magazines she is featured in. "You know what they say, do something you love and you will never consider it work," Sienna said. "I love fucking, so I do it, and I'm around it all day. My customers have told me they really like my photos and videos, so I think I must be doing something right." She sure is.

Sienna calls her JJ-cups gifts from God. We call them gifts to XL Men.

We're glad that Sienna believes in sharing her ample gifts with the world. They truly are a gift that keeps on giving. "I love my breasts because I can use them to pleasure men I'm with," she said. "Guys love to suck them and play with them. I love it when a guy holds on to my tits when I'm riding him. Of course, guys also love when I tit-fuck them. I love it, too, especially when there's cum all over my tits." Sienna is also an old-fashioned Southern girl, and she expects her man to be dominant. "I want a guy who can make me submit. Make me melt with your hard cock."

you find this babe? I'd like to find out so I can nab a hot Dominican girl of my own.-K.D., Oklahoma

Dear K.D.: We actually found Kristina in the Dominican Republic, so if you want to score a beautiful, mochaskinned girl like her, starting there would be a great start. Kristina has actually been with us for a while. She debuted in the December 2010 issue of Voluptuous and the March 2011 issue of XL Girls. When we first got a look at Kristina, she was so good that we flew to the Dominican Republic to shoot her on-location. She was lactating, which made for an even hotter shoot. If you want to see more Kristina, you'll want to check out her scene in Cocoa Nut Busters 2, available on page nine. It's a raunchy, hardcore scene in which Kristina is fucking and lactating once again.

PLUMP WOMEN ARE BEST

Dear XL Girls,

There are women of all shapes and sizes in the world, and I believe there is beauty in every woman. But, to me, thick and curvy women are the most beautiful creatures on the face of the earth. My friends don't understand why I like these bigger girls and sometimes make fun of me for it, but I don't care. I truly find plump ladies to have everything you could want from a woman. I simply can't imagine having sex with or jacking to a woman with small or no breasts, no curves and no ass. Most of my friends like women like this, and I simply don't understand it.

To me, it feels like I would be having sex with a man, whereas when you are with a nice, plump woman with a pretty face and healthy curves, you know you are fucking a woman.

So, I just wanted to say, thank you to the people at XL Girls for putting out a magazine that celebrates just how gorgeous these women are. Ás a subscriber, I look forward to each of the six issues released every year and hope for more.-Chris, Ontario, Canada, via email

Dear Chris: Thanks for writing in and the kind words. We certainly love full-figured women ourselves, so we're glad that you're pleased with our girls. We'll do our best to keep up the good work.

CAROLBROV

Why is Carol over-40 and still so sexy? She has a few fun secrets.

"To keep myself looking good, I like to have as much sex as possible," this British housewife said. "It's the only exercise I enjoy. I do like a nice facial. It helps to keep the wrinkles at bay." Hot fucking followed by a facial is a workout plan that can give Cross Fit a run for its money. With age has come extra confidence, and Carol dresses to impress, which has led to increased attention from men. "I get a lot of attention from younger blokes. I think it's because they know I'm experienced and I can teach them things."

As horny as she was before, Carol's fuck-lust is off the charts now.

"I love sucking cock," Carol said. "It gets my juices flowing. I also like to have sex at least once per day." If you need further proof to understand why Carol is one of the greats, a reader

from 1998 summed it up perfectly. "Carol's ass is built for pounding," N.D. from Maryland said. "I imagine my tool deep inside her ass. Three seconds later, I'm done! She's that hot."

pretty conservative. You'll usually find me in jeans and a t-shirt. I was kind of raised tomboyish.

XL Girls: How were you in school? Did you have big boobs?

SOFIA: Yeah, I started to develop in sixth grade. I think I was a C-cup. By the time I was in eighth grade, I was a double-D-cup. At the time I was only 110 pounds, so those were very large compared to my small frame.

XL Girls: Did you still do tomboyish things despite your big boobs?

SOFIA: Yes, because I was raised with eight brothers, and I wanted to do everything the boys did.

XL Girls: So you don't mind toughing it out and getting your hands dirty if you have to?

SOFIA: Absolutely.

XL Girls: What are your hobbies?

SOFIA: Well, I've become much more of a lady as I've gotten older, so my hobbies are less rough. But I do drive a truck, and I wear boots all the time, so I'm rough in that way.

XL Girls: Did you play any sports? **SOFIA:** Yeah, I played every sport. I was pretty good at them, too. Today, the only thing I continue to do is run long-distance.

XL Girls: When you run long distances, what do you do to keep your boobs in check?

SOFIA: [*Laughs*] Strap them down. I wear three bras and usually a large tshirt or coat depending on the weather. I really do have to do my best to contain them, but I really enjoy the runs. Running is something I find really relaxing and I try to do it as often

XL Girls: What do you consider the most exciting thing you've ever done sexually?

SOFIA: Well, having sex on-camera is very exciting. In my personal life, I've had a threesome with two men and I loved it. I'd like to do that again as often as possible.

XL Girls: What else are you into that is sort of kinky?

SOFIA: Well in my current situation, my partner enjoys putting different types of food into my ass.

XL Girls: Really?

South Beach nightlife.

SOFIA: [*Laughs*] Yeah. And he eats it. I enjoy and get off on the idea that he is getting pleasure from doing that, so I love it.

XL Girls: That's great. Do you like women at all?

SOFIA: Absolutely. I'm bi-curious. I wouldn't say I'm fully bisexual, but I can appreciate an attractive woman. I've had a few threesomes with couples, and it is usually the woman I'm attracted to and not the man. I like to fondle a woman's breasts and make out with a woman.

XL Girls: So what kind of men do you go for?

SOFIA: [*Laughs*] I like them all. I don't like to single anyone out, but I usually go for taller men. But I have been known to date shorter men, too. I don't know. It just depends on who you are and what type of mood I'm in that day.

XL Girls: Do you like anal sex?

SOFIA: Believe it or not, I actually have never done it. I'm an anal virgin. *XL Girls:* Well, we could change that. **SOFIA:** I'm sure you will, actually. I'd like to do it one day. I know it would be a big thing for my fans. My current partner has definitely pushed my sexuality even further and helped to grow my curiosity. He's definitely trying to break me through that. It's something I've never been able to do. I just can't do it yet.

XL Girls: Do you like to have multiple sex partners?

SOFIA: At one time, yes. I'm usually very monogamous, but if I'm single, then yeah, I will sometimes have multiple partners.

XL Girls: Do you have any special sexual talents?

SOFIA: I don't know what kind of talents you consider to be special, but having large breasts kind of helps. I can make any cock disappear between my cleavage.

XL Girls: Are there any other interesting thing you can do?

SOFIA: Well, I used to be a belly dancer, so obviously my body likes to move in different kinds of ways. That helps during sex.

XL Girls: So how long were you a belly dancer?

SOFIA: A little over five years. I danced in a restaurant in Orange County, California.

XL Girls: We'd love to see that one day. Thanks for talking with us.

SOFIA: Thanks! I had a great time here speaking with you guys!

JASMINE JONES

watching her and getting off to her fucking. "I love to show off my big boobs," she said. "And if I can make you cum, that makes it even better for me." Jasmine sure is a sweetheart. Being the good people we are, we had to lend this cam girl a hand in fulfilling one of her fantasies by having one of our hung studs give Jasmine the ride of her life.

Jasmine was jonesing for some fresh, young cock, and he delivered.

Jasmine is a skilled operator when it comes to fucking. She can deftly work a man's magic stick with her mouth, pussy and tits. As you can see in the picture above, her titty fucks are the thing

wet dreams are made of. When Jasmine hops on Al's cock, her moans sound like she's overcome with immense pleasure. "Oh, it's so good," she says. "Shit, don't stop. Yeah, like that."

She's the type of lady who loves stiff cocks up her sexy, tight ass.

Not many women are built for anal sex. But those women aren't as insatiable as Jasmine. "Oh, fuck that ass," she says. "You're so deep!" And being the dirty girl she is, Jasmine loves cum all over her. "I like it all over my face and tits, dripping from my mouth and just all over me," she said. "I swallow sometimes, but I prefer to see it all over me." So here it cums!
